Our fantastic football team at the Shrewsbury Sports Village

You have probably been told by your child that they have been given a user-name and password for their own place on the Shropshire schools web. The address is:

www.shropshirelg.net/pri

This is a secure site where they can email one another in class, or use the draw package and so on. We will be posting homework etc on there in future. I have included an internet safety letter which you can perhaps read with your child.
