## **SCHOOL**

### **Equality Policy**

#### **1 Introduction**

- 1.1 At Church Preen Primary School we value the individuality of all of our children and have incorporated this value into our ASPIRE mission statement –

We work hard to ensure that ALL of our children: Achieve their potential, develop Self esteem, work in Partners with the community, demonstrate Innovation, cultivate Respect and insist on Equality .

We are committed to giving all our children every opportunity to achieve the highest of standards. We do this by taking account of pupils' varied experiences and needs. We offer a broad and balanced curriculum, and have high expectations of all children. The achievements, attitudes and well-being of all our children matter. This policy is intended to help to ensure that this school promotes the individuality of all children, irrespective of ethnicity, religion, attainment, age, disability, gender or background.

- 1.2 This policy accords with legislation:

Race Relations (Amendment) Act 2000;  
Disability Discrimination (Amendment) Act 2002;  
Sex Discrimination Act 1975.  
Equality Act 2010

#### **2 Aims and objectives**

- 2.1 At Church Preen we do not discriminate against anyone, be they staff or pupil or parent, on the grounds of ethnicity, religion, attainment, age, disability, gender or background.
- 2.2 We promote the principle of fairness and justice for all through the education that we provide in our school.
- 2.3 We seek to ensure that all pupils have equal access to the full range of educational opportunities provided by the school.
- 2.4 We constantly strive to remove any forms of indirect discrimination that may form barriers to learning for some groups.
- 2.5 We ensure that all recruitment, employment, promotion and training systems are fair to all, and provide opportunities for everyone.
- 2.6 We challenge personal prejudice and stereotypical views whenever they occur.
- 2.7 We value each pupil's worth, we celebrate the individuality and cultural diversity of the community centred on our school, and we show respect for all minority groups.
- 2.8 We are aware that prejudice and stereotyping are caused by poor self-image and by ignorance. Through positive educational experiences, and support for each individual's legitimate point of view, we aim to promote positive social attitudes, and respect for all.

#### **3 Racial equality**

- 3.1 In Church Preen school, we will:

strive to eliminate all forms of racism and racial discrimination;  
promote equality of opportunity;  
promote good relations between people of different racial and ethnic groups.

- 3.2 It is the right of all pupils to receive the best education the school can provide, with access to all educational activities organised by the school. We do not tolerate any forms of racism or racist behaviour. Should a racist incident occur, we will deal with it in accordance with school procedures (see policies for Behaviour and for Racial Equality)
- 3.3 We endeavour to make our school welcoming to all minority groups. We promote an understanding of diverse cultures through the topics studied by the children, and we reflect this in the displays of work shown around the school.
- 3.4 Our curriculum reflects the attitudes, values and respect that we have for minority ethnic groups. So, for example, in the curriculum topic on religious festivals, the children learn the importance of Diwali to Hindus and Sikhs.

#### **4 Disability non-discrimination**

- 4.1 Some children in Church Preen School may have disabilities. We are committed to meeting the needs of these children, as we are to meeting the needs of all within the school. The school fully meets the requirements of the amended Disability Discrimination Act that came into effect in September 2002. All reasonable steps are taken to ensure that these children are not placed at a substantial disadvantage compared with non-disabled children.
- 4.2 The school is committed to endeavouring to provide an environment that allows disabled children full access to all areas of learning.
- 4.3 In some circumstances teachers modify teaching and learning as appropriate for children with disabilities. For example, they may give additional time to complete certain activities, or modify teaching materials, or offer alternative activities where children are unable to manipulate tools or equipment.

#### **5 Gender equality**

- 5.1 We recognise that in some subject areas the achievement of one gender is greater than the other. We are committed to seeing all individuals and groups of pupils making the best progress possible at Church Preen School by eliminating gender biased resources and purchasing materials that interest and stimulate all.
- 5.2 We realise that although gender is one of the key factors affecting educational performance, it affects different sub-groups of boys and girls in different ways. Social class, ethnic origin and local context are all strongly linked to performance. We also seek to ensure that policies/initiatives designed to improve one gender's attainment do not do so at the expense of the other.

#### **6 The role of governors**

- 6.1 In this policy, the Church Preen governing body has set out its commitment to equal opportunities, and it will continue to do all it can to ensure that all members of the school community are treated both fairly and equally.
- 6.2 The governing body collects, analyses and evaluates a range of school data. We check that all pupils are making the best possible progress, and that no specific group of pupils is underachieving. To do this, we monitor:
- admissions;
  - attainment;
  - exclusions;
  - rewards and sanctions;
  - parents' and pupils' questionnaires.
- 6.3 The governing body seeks to ensure that people with disabilities are not discriminated against when applying for jobs at our school. The governors take all reasonable steps to ensure that the school environment properly accommodates people with disabilities.
- 6.4 The governing body will, where appropriate, in its annual report, make reference to arrangements for disabled pupils as outlined in the school profile.

- 6.5 The governors welcome all applications to join the school, whatever background or disability a child may have.
- 6.6 The governing body ensures that no child is discriminated against whilst in our school on account of their sex, religion or race. So, for example, all children have access to the full range of the curriculum, and regulations regarding school uniform will be applied equally to boys and girls. If a child's religion has a bearing on school uniform, then the school will deal with each case individually and sensitively, and with respect for the child's cultural traditions.

## **7 The role of the Head Teacher**

- 7.1 It is the head teacher's role to implement the school's policy on equal opportunities, and she is supported by the governing body in so doing.
- 7.2 It is the head teacher's role to make sure that all staff are aware of the school policy on equal opportunities, and that teachers apply these guidelines fairly in all situations.
- 7.3 The head teacher ensures that all appointments panels give due regard to this policy, so that no one is discriminated against.
- 7.4 The head teacher promotes the principle of equal opportunity when developing the curriculum, and in providing opportunities for training.
- 7.5 The head teacher promotes respect for other people in all aspects of school life; in the assembly, for example, respect for other people is a regular theme, as it is also in displays around the school.
- 7.6 The head teacher views all incidents of unfair treatment, and any racist incidents, with due concern.
- 7.7 Head Teacher is to record and report all racist incidents to SCC and also to the Governing Body via the Head Teacher's termly report to governors.

## **8 The role of the class teacher**

- 8.1 At Church Preen School class teachers do their best to ensure that all pupils are treated fairly and with respect. We do not knowingly discriminate against any child.
- 8.2 When selecting classroom material, teachers strive to provide resources which give positive images, and which challenge stereotypical images of minority groups or genders.
- 8.3 We seek to implement this policy when designing schemes of work, both in our choice of topics to study, and in how we approach sensitive issues.
- 8.4 All our teachers and support staff challenge any incidents of prejudice or racism. We record any incidents in the school log book, and draw them to the attention of the head teacher.

## **9 Monitoring and review**

- 9.1 It is the responsibility of our governing body to monitor the effectiveness of this policy. The governors will therefore:

- monitor the progress of pupils from minority groups, comparing it with the progress made by other pupils in the school;
- monitor the staff appointment process, so that no one applying for a post at this school is discriminated against;
- require the head teacher to report to governors annually on the effectiveness of this policy;
- take into serious consideration any complaints from parents, staff or pupils regarding equal opportunity;
- monitor the school's behaviour policy, and the numbers of exclusions, to make sure that pupils from minority groups are not unfairly treated.

This policy will be reviewed by the governing body every three years, or earlier if it is considered necessary.
