Clean Plastic 2L Milk Bottle Containers

Miss Strachan is still collecting them for use in a Class 1 project to build an igloo.

At least 500 needed!!!

With lids – without labels!

Helping the Environment!

Remember we are still collecting used printer cartridges and old mobile phones for recycling. We recently sent off a small box full of various items to a company called “Recycool” and raised £6.45 for our school.

Also we are a registered collection point with a company called Battery Back Plc. Working together within the BatteryBack initiative we will not only help the environment by reducing landfill and recovering hazardous waste, we will also help Britain meet it’s legal obligations by recycling over 25% of the batteries used by the 2012 deadline.

The PTA recently received a cheque for £264 for the collection made in December. Thank you again for your support. The next collection is in June so bear us in mind as you do any spring cleaning! Bags can be brought into school and will be put into storage until collection day.

Community Day

Thank you to everyone who contributed. The day was a huge success.

Local farmers brought in their tractors, old and new.

Artists from New College, Wellington showed children how to work with clay.

And of course we had the visitors from RAF Shawbury, who arrived in a Squirrel helicopter, one used for training purposes.

Thank you to the doctor, vet, artists and the numerous other people who made our day very special and of course thank you to those who attended Café Preen in the afternoon. We raised £87.90 for The Shropshire Air Ambulance.

WORLD BOOK DAY

We had all sorts of book characters, ranging from Mrs Wobble to Superman. The children enjoyed guessing who everyone was and poems and passages from books were read out in assembly. Thank you to parents for providing the costumes.

CHURCH STRETTON MAY FAIR - Saturday 7 May 2011

We have been asked to maypole dance at this venue and would like to know who can take part on this date. (Please note that this is not the bank holiday weekend). We would be grateful if parents could send a note into school confirming the willingness and availability of their child, this will have to be restricted to Classes 2 and 3. Practice sessions can then be arranged.
