

Water

ECO-
CODE

We recognise that water is a precious resource, especially in some parts of the world.

ACTION

We have made signs to remind people to turn the taps off.

The boys' urinals flush occasionally, not all the time.

Biodiversity

ECO-
CODE

We want to look after the plants and animals in our school grounds and the countryside.

ACTION

We attract birds.

We are careful not to hurt mini-beasts.

We do not pick wildflowers

We are part of the “In Darwin’s Footsteps” project.

Environmental Laws

ECO-
CODE

We hope there will be more laws to stop pollution.

ACTION

We read First News and follow who and what is polluting our planet.
We believe
“Think globally, act locally!”

Energy

ECO-
CODE

We **MUST** reduce our energy use.
We know that most of our energy supply is from non-renewable resources

ACTION

Turn lights off.

Do not leave computers on stand-by.

Save paper– use both sides.

Raising Awareness

ECO-
CODE

The Eco-Committee will tell others about what we are doing in school and what we believe in.

ACTION

In school, use assembly for discussion.

Parents, governors and others will know about our Eco-School from reading the Preen Scene, the local press and our web-site.

Transport

ECO-
CODE

As a school with the Gold Travel Award we encourage walking, cycling and sharing lifts.

ACTION

We like everyone to know walking is fun and so we have Seasonal Sunday Walks and go for walks from school.

Purchasing

ECO-
CODE

We buy Eco-Products.

ACTION

We buy Fairtrade items for our café.

Our cook uses local eggs / vegetables.

We use recycled paper/ink cartridges.

Looking after Wildlife

ECO-
CODE

We encourage
wildlife.

ACTION

We leave dead wood
around.

We feed the birds.

We clean out our
bird boxes.

We plant trees.

We will be creating a
wild flower patch.

Recycling and Composting

ECO-CODE

We recycle paper, cardboard, glass and plastic milk holders.
We 'compost' when we can.

ACTION

We have special bins and encourage parents to use them.

We put our garden waste into the compost bin.

The teachers have a compost bin.

Our Eco-Code
