Elf Availability?! Any Elves available on 6th December? We have had a request from Stretton Climate Care, who we have been working with in regard to our eco-school status. They would be pleased if 6 children could accompany Santas on "Electric Bikes" from the station at 10am and help out at his grotto! Please let school know asap if you are able to help, this should only be for a couple of hours.

Dance & Drama - Anna Seager has made arrangements as follows:-
