

Bikeability Cycle Training.

Dear Parent/Carer

Our school is to receive **Free** Bikeability Level 1 & 2 Cycle Training which takes place:

- 11th and 12th October 2021

What is Bikeability? Bikeability is the national cycle training programme supported and funded by the Department for Transport. The skills your child will learn will help boost confidence and independent thinking thus helping them to be a safer road user. Learning the rules of the road when young is a real boost to confidence and a very positive experience of true travel independence. So, whether your child cycles regularly or not, the course will prove beneficial. Shropshire's Bikeability Scheme is delivered by Learn Cycling, a national training company who employ qualified, professional, DBS checked National Standard Instructors. Visit www.bikeability.org.uk for more information.
