### Class 1

In history the children have been looking at the role animals played in WW1 and relationships in PSHE. We sorted materials into metal and plastic items noticing that the metal ones could be used as musical instruments. In Art the children created some beautiful stained glass jars using tissue paper and have used paper to create beads for a necklace.

We are in need of newspapers and junk modelling (cardboard tubes, egg boxes, small cardboard boxes...) for our art work. If you have any can you send it in to school by Wednesday (2<sup>nd</sup>) please

### Class 2

Thank you for sending in your cereal packets, please keep them coming in.

We have been learning about Christian baptism (christenings) if you have any photos or even a candle or robes/dress that you are happy for us to put on display, we would be very grateful.

**Class 3** has a trip to Cosford Air Museum to make Rocket Cars on Tuesday. Please ensure the you have sent back your consent form. A packed lunch is required on the day along with a warm coat and strong shoes as we will be walking quite a lot.

Year 6 SATs revision book orders need to be sent back by Monday 31st January.

(Letters have gone out for Cosford, Concorde College and PSHE resource viewing this week so please check your parent mail).
