# Part A: Pupil premium strategy plan

## Statement of intent

At Brockton CE Primary School we have very small numbers of pupils eligible for Pupil Premium funding. This enables us to provide very flexible and bespoke support, individual to each pupil's needs at any given time. Circumstances of individual families can also be taken into account when making decisions on allocating Pupil Premium funding.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Academic attainment and progress – specific areas of challenge in learning or help for families to support learning at home.
2	Participation in the wider curriculum – costs of activities (including residential) and trips

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Disadvantaged pupils to make progress in line with their peers	Reading, writing and mathematics outcomes at assessment points in Year 2 and Year 6 show that disadvantaged pupils have made the same rate of progress as their peers.
Disadvantaged pupils to access the same opportunities for the wider curriculum as their peers	All pupils have been enabled to participate in the wider school curriculum.
Disadvantaged pupils have the same access to technology as their peers	All pupils have been provided with laptops / iPads and support to access the internet if needed.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022-23 academic year.

Disadvantaged pupils in 2022-23 achieved broadly the same progress as their non-disadvantaged peers. Bespoke support was given to the very small number of eligible pupils per our school strategy.
