

PREEN SCENE

11th October 2024

Well done to children in Severn Class for volunteering to take part in an after-school High 5 netball league in Much Wenlock. We have entered a combined team from Brockton and Church Preen schools due to the small pupil numbers from each school able to take part. Thank you to Claire Selby for managing the team at the fixtures and running a squad training session at Church Preen. We look forward to hearing of their successes at upcoming fixtures!

It is fantastic to see the wide and varied range of extra-curricular activities which children at Church Preen are able to take part in. My thanks go to all of our staff for their hard work (often on a voluntary basis) to enable all of these events and activities to take place.

Cound Class

This week we took part in an NFU live lesson where we learned about the process of harvest. This was accompanied by watching professional chefs follow a recipe and cook up a lovely Caribbean soup with dumplings.

We have recently started a Geometry unit and explored making 2D shapes using sticks. This prompted a lot of discussion and some competitiveness amongst the pupils.

Last week we were introduced to our DT unit - Wheels and Axles. As well as sorting pictures of wheeled objects, the children shared their wheeled things from home. Miss Wilde also took the children to the staff carpark to talk about her own wheeled object. There was much excitement as the children tried to locate the axles!

Severn Class

Dear Parents,

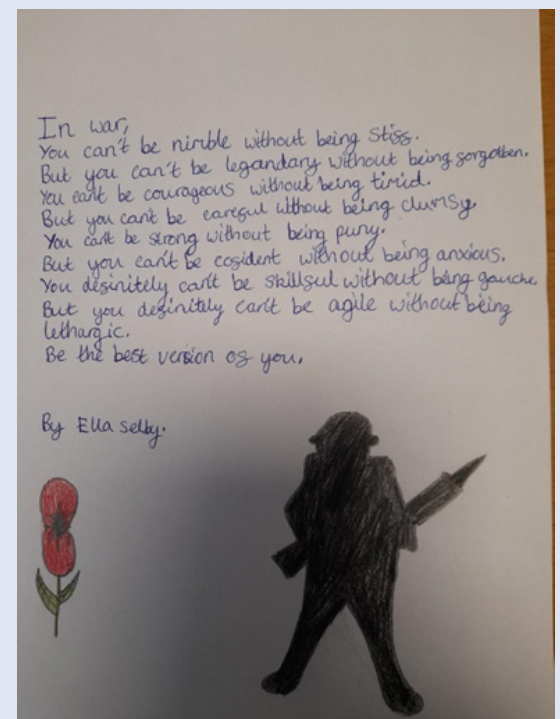

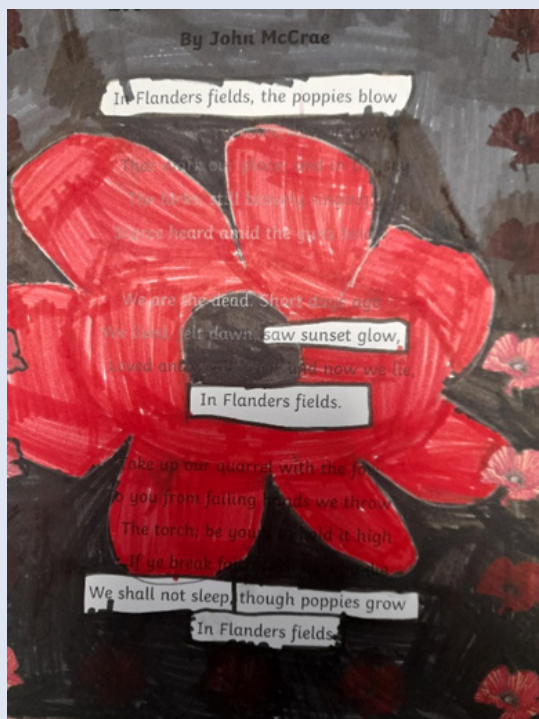

As the days are getting shorter and frost begins to settle, Class Severn are deep into their geography topic Exploring Eastern Europe. We researched different countries and presented our learning in group posters. Delving into the world of bread in DT, we conducted a yeast experiment to learn about how bread rises. We look forward to designing and making our own Eastern - European inspired bread on 23rd with Stephanie from Shropshire hills Discovery Centre.

In English, we celebrated National Poetry Day. We created our own antonym poems inspired by a war hero in our text The Lion and the Unicorn. It was also great fun exploring a different style of poetry – Blackout poetry! Using an existing poem, In Flanders Fields by John McCrae, we selected our favourite words to create a new poem, and built an artwork over this. Our poems will be on display in the GP room soon!

Homework this week was for the children to practise their lines for our upcoming Harvest Assembly. They will have the words with them on the day, so it's more about knowing the vocabulary and reading aloud confidently. Please take some time to practise these with the children. I hope to see some of you there on Thursday 24th October at 2.45pm.

If you have any questions, please do not hesitate to contact the school to make an appointment, send me an email, or catch me on the playground at the end of the day.

Best wishes,
Mrs Williams

School Meals Menus

Church Preen Primary School						
	Monday	Tuesday	Wednesday	Thursday	Friday	Week 1 Menu
