

28th February 2025

Sewing, Romans, STEM, composting, gardening, Techathon - it is fantastic to see how much our children are able to be involved in outside of their hard work on the core academic curriculum. This is only possible due to the hard work of our staff and volunteers outside of the normal teaching requirements and I am sure you will join me in thanking everyone for their efforts.

A booking form for our forthcoming termly parent meetings will be with you soon - if you are not able to make it on the 27th, do let us know and we are happy to arrange an alternative appointment for you.
