

28th February 2025

It is good to see some signs of spring starting to appear - let's hope the worst of the winter weather is now behind us!

It has been a busy start to the new half term with our Year 5 pupils attending the Shrewsbury High School "Techathon" on Monday and a teacher from William Brookes school coming into school as part of our secondary transition programme to work with Year 5 and Year 6 on Wednesday.

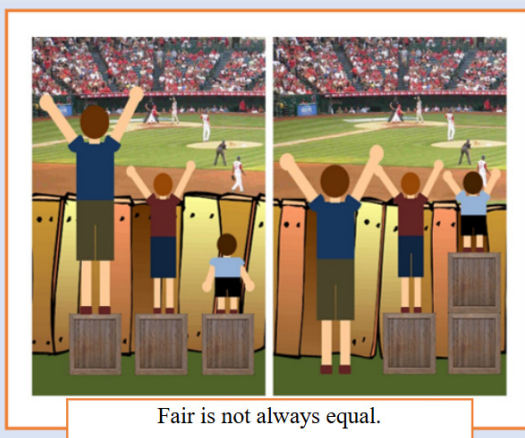

Keep an eye on your emails for news of more events and activities coming up this term.

Cound Class

Understanding the World- Cound class played a game where they had to follow instructions using Makaton signing. There was great teamwork, and everybody managed to complete the task successfully thanks to our expert helper Grayson!

In history this week, Cound class learned about Toys from the Victorian era. We learned how to compare different toys such as a cup and ball, dolls, toy trucks and play tea sets. The children were surprised at how many of the toys we have today were around over a hundred years ago. Reception had a go at making their own cup and ball toys!

PIC•COLLAGE

PIC•COLLAGE

For Safer Internet Day on 11th February we talked about how much we love dressing up! The children listened to a song which reminded them not to get changed when they are on-line or if a camera/video is on. We also discussed which trusted adults they could go to if they aren't sure about a game or something online. They then decorated STOP! Close! Tell! posters to take home. More information can be found here: Undressed

Severn Class

Class Severn had a fantastic experience at their 'Meet the Romans' workshop courtesy of Sian from Shrewsbury Museum.

They looked at, discussed and sketched a range of artefacts, dressed up as different people in Roman society and recreated various military formations. It was an excellent afternoon which really brought our History topic to life.

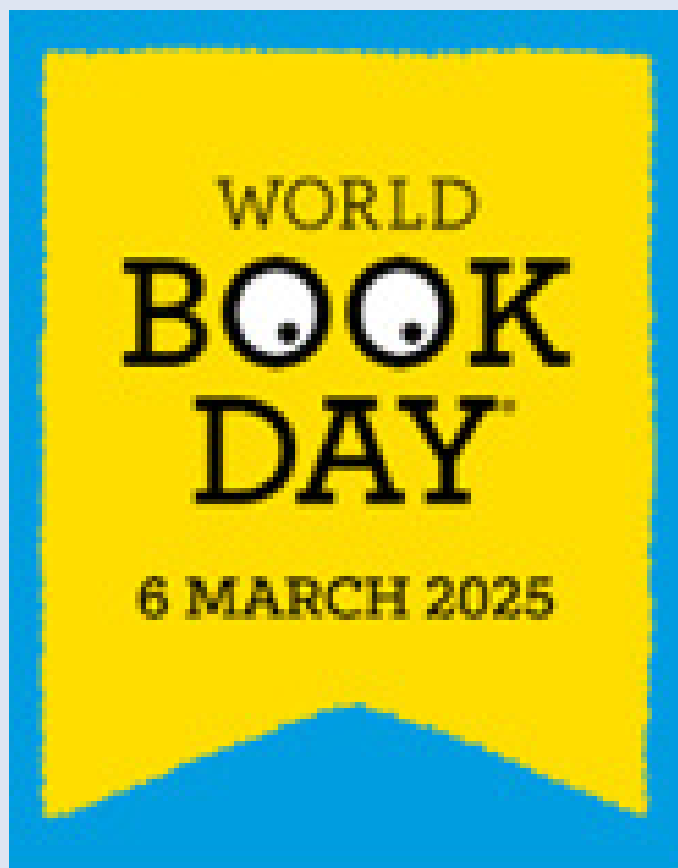

On Monday, the Year 5 pupils had a morning of code-cracking as part of the Techathon Challenge at Shrewsbury High School, and our Year 6 girls have been invited back there for a STEM activities day on 6th March.

Before half term, many of the children in Class Severn took part in the dance festival at William Brookes School. They performed brilliantly and were great ambassadors for Church Preen School.

The whole class also attended an afternoon of dance and music at Concord College, which proved to be an uplifting and inspirational experience for the children, especially when they saw an ex-pupil from Church Preen performing!

Class Severn sung a catchy song based on the first scene from The Tempest in our Celebration Assembly at the end of last half term and the class Compost Heroes are launching Church Preen School's composting initiative in Friday's assembly this week.

Someone reads to them regularly

They find time to read

They have books at home and at school

They know a trusted person who can help them find the right books

We make reading fun for them

They are given a choice in what they read

The theme for World Book Day this year is “Read your Way” encouraging children to choose books because they want to read not because they have to read.

The main aim of WBD is to promote reading for pleasure in children using the six key principles above.

We are inviting all the children and staff to come into school on Thursday 6th March dressed as a character from a favourite book. Please bring the book with you as we will be sharing some of these stories during the day.

There are plenty of ideas for dressing up without blowing your budget here: [World Book Day 2025 Low-cost dressing up pack - World Book Day](#)

For further information on how you can encourage reading at home follow this link here: [World Book Day - World Book Day | World Book Day is a registered charity](#). Our mission is to give every child and young person a book of their own.
