

11th April 2025

Thank you to everyone who has joined us for our Mothers Day lunches - I hope that you enjoyed coming in to school and sampling the fantastic meals we now have on offer. My thanks to all of our school staff for their additional work in arranging and setting up the meals for us.

Thank you to this term's school meals feedback panel, Eric, Jacob and Matilda, for their enthusiastic participation in planning next term's menus - the results of their hard work are on page 2!

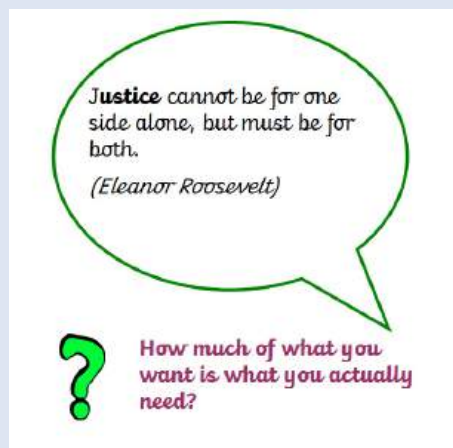

Wishing everyone an enjoyable and relaxing Easter break.

Cound

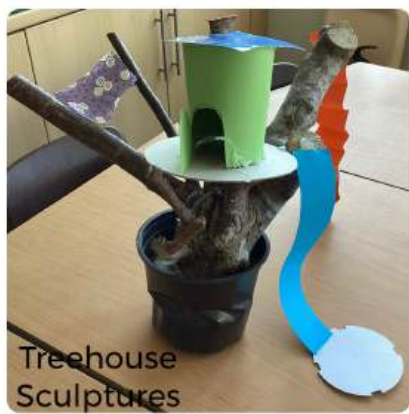

Y1 and Y2 have been learning how to tie a timber hitch and clove hitch knot in their outdoor skills lesson. They will put this into practice in a future session in our wonderful outdoor learning area.

Why not have a go at home this weekend?

Cound class hosted a Stay and Make afternoon. Adult helpers were invited in by pupils to help turn their puppet designs into a reality. What a fantastic array of puppets they created. Well done everyone.

Here are some pictures of Cound class's art unit "stick transformation". The children were very pleased with their final pieces and enjoyed working collaboratively on this project.

To finish off our Toys history topic, Cound learned the rules for playing marbles and had a tournament
