

**9th May 2025**

Welcome back everyone to an exciting and action-packed summer term!

It has been great to see everyone enjoying all of the school grounds before and after school, however could I remind everyone that the clamber stack and other climbing equipment is only insured for school use during the school day - please do not allow your children to use this equipment before and after school. Many thanks.

Well done to all of our younger pupils who visited our fellow Edge Federation school at Brockton to take part in a cross-country event - it was fantastic to see everyone competing with a smile and we had some excellent individual results.

PIC•COLLAGE

Class Severn enjoying learning about the benefits of composting with Emma from the Shropshire Good Food Partnership

Emma, from the Shropshire Good Food Partnership, came in last Thursday to explain how we as a school can very easily reduce our food waste to zero. We already have a caddy in the Dining Room, and this is used to feed our recently set up Hot Composter. The compost we are creating will then be used to enrich the soil in our vegetable beds, which are now partially planted thanks to Friday's visit from Caroline from Garden Organic. Maybe one day we can become fully self-sufficient!

Caroline from Garden Organic visited Class Severn last Friday to launch our planting project
