

Religious Education

The Governors have decided to follow the new Shropshire syllabus for RE. The content of this syllabus will be taught through topics in Foundation and Key Stage 1. In Key Stage 2 lessons will follow more specific RE areas. The whole curriculum is broadly Christian based whilst appreciating other religions within our society. Throughout their time at Church Preen the children's learning focuses on finding out about aspects of Hinduism, Judaism and Islam as comparisons to Christianity.

Parents have a right to withdraw their child from all or part of the religious education or collective worship provided by the school and should discuss this with the Headteacher if they wish to take this course of action.
